The Security Trustee's appointment relates exclusively to the Security provided for the benefit of the Bondholders.

The Obligors undertake and bind themselves to grant to the Security Trustee the Security in the manner and at the times and under the conditions stated in this Trust Deed and the Security Trustee accepts this undertaking and declares a trust thereon for the benefit of all Bondholders. The Security Trustee agrees and undertakes to receive the Security on trust for the benefit of all Bondholders in accordance with this Trust Deed and the Trusts and Trustees Act (Cap. 331 of the Laws of Malta).
- 1.3. The Security Trustee acknowledges and agrees that it is not itself a creditor of the Issuer under the Secured Bonds and that the creditors of the Issuer shall be the Bondholders who from time to time will have their names and other details entered in and maintained by the CSD, and who shall be recognised as the only beneficiaries under this Trust Deed.

DECLARATION OF TRUST

2.1 Subject to the provisions of this Trust Deed and applicable law:

- (a) Upon receipt of the Bond Issue Proceeds by the Security Trustee, the Bond Issue Proceeds will be held by the Security Trustee on trust for the Bondholders *pari passu* according to the rights and interests held by each Bondholder in the Secured Bonds as evidenced in the Register of Bondholders until such Bond Issue Proceeds are released to the Issuer in terms of this Trust Deed.

- (c) The Security Trustee shall make additional declarations of trust whenever additional property is received under this trust and such declarations of trust shall be on the same terms as stated herein and shall form an integral part hereof; and
- (d) This trust is being constituted as a security trust in terms of article 2095E of the Civil Code and is to be known as the **"MM Triton Malta Trust"**.

2.2 The terms and conditions of this Trust Deed shall be binding on each Bondholder as if it had been a party hereto and as if this Trust Deed contained covenants on the part of each Bondholder to observe and be bound by all the provisions hereof, and the Security Trustee is hereby authorised, empowered, and required to do the things required of it by this Trust Deed.

2.3 The Parties agree that, in terms of and for the purposes of the Trusts and Trustees Act (Cap. 331 of the Laws of Malta), this MM Triton Malta Trust shall be treated as being constituted in the context of a commercial transaction. Pursuant to the provisions of Article 21(7) of the Trusts and Trustees Act (Cap. 331 of the Laws of Malta), each Party agrees that the duties, liabilities, obligations and responsibilities incumbent upon the Security Trustee shall be limited to those expressly specified in this Trust Deed.

Provided that nothing in this clause shall permit the Security Trustee to be exonerated from the effects of, or be indemnified for, its own fraud, wilful misconduct, gross negligence or breach of duty.

ISSUE CLAUSES AND SECURITY

3.1 The Secured Bonds creating and acknowledging the indebtedness of the Issuer to the Bondholders shall be issued directly by the Issuer to subscribers of the Secured Bonds pursuant to the provisions of the Prospectus and shall accordingly create a direct contractual relationship between the Issuer and each Bondholder.

- 3.2 The Security Trustee shall, notwithstanding that it is not a Bondholder, be entitled to be registered as the holder of the Security for the benefit of the Bondholders in accordance with the provisions of this Trust Deed and article 2095E of the Civil Code.
- 3.3 The Security Trustee shall have the power and legal interest to file any legal proceedings for the enforcement of the Security notwithstanding that, under the terms of this Trust Deed, the Security Trustee is not the creditor of the principal debt or obligation arising from or acknowledged by the Secured Bonds.
- 3.4 The Security Trustee shall, save for the payment of the expenses related to the Bond Issue, not release any of the Bond Issue proceeds until such time as the Security Trustee is in receipt of a valid undertaking from the Guarantor's solicitors, which confirms that the Security will be duly constituted in favour of the Security Trustee in accordance with English law under the terms of the relevant Trust Documents.
- 3.5 Further to the receipt by the Security Trustee of the undertaking referred to in clause 3.4 above and the decision by the Issuer to proceed with the issue and listing of the Bonds in terms of clause 4.1 of the Securities Note, the Security Trustee shall release the Bond Proceeds as follows:

Such funds shall be made available by the Issuer, without delay, upon written request by the Security Trustee to the Issuer, which shall only be requested by the Trustee in case of such expenses reasonably emerging.

the MM Triton Malta Trust and the Security Trustee shall have no obligation to verify the correctness or accuracy of the Register of Bondholders. Moreover, the Security Trustee shall have access to the Register of Bondholders to the extent permitted by law. In the event the Secured Bonds are de-listed from the Official List of the Malta Stock Exchange or if the CSD ceases to maintain the Register of Bondholders for any reason whatsoever, then, without prejudice to any other right or power or discretion of the Security Trustee under this Trust Deed including any rights of enforcement, the Issuer shall immediately notify the Security Trustee and shall be bound to observe any directions with respect to the keeping of a register of Bondholders as the Security Trustee may, in its reasonable discretion, determine.

- 3.10 An entry of any person in the Register of Bondholders shall conclusively establish such person's beneficial interest in the Security and the extent of his interest in the Security which shall be calculated on the number of Secured Bonds held as a percentage of the total value of the Secured Bonds outstanding from time to time.
- 3.11 The beneficial interest of a Bondholder in the Security shall terminate upon such time as a Bondholder is no longer registered in the Register of Bondholders, or upon the redemption of the principal amount of the Secured Bonds and payment of all interests thereunder, as the case may be.
- 3.12 The Issuer hereby agrees to provide the Security Trustee a copy of the Register of Bondholders upon request, as well as full access to the Register of Bondholders thereby providing the Security Trustee with full and unrestricted information in respect thereof. The Issuer shall maintain its Register of Bondholders with the Central Securities Depository of the Malta Stock Exchange and shall pay and be responsible for any fees and/or costs due to the CSD for the set-up and maintenance of such register.
- 3.13 The execution of this Trust Deed by the Security Trustee and the publication thereof on the Issuer's website shall constitute notice to each of the Bondholders of the security to be created in their favour.

REDEMPTION & INTEREST PAYMENTS

- 4.1 The Issuer hereby irrevocably covenants in favour of the Security Trustee, for the benefit of the Bondholders that:
- (a) the Secured Bonds shall be redeemed at par (together with interest accrued to the date fixed for redemption) on the Redemption Date, unless they shall have been previously repurchased and cancelled by the Issuer, or otherwise redeemed in accordance with their terms; and
 - (b) until the whole of the Secured Bonds shall have been repaid or otherwise redeemed and fully discharged, the Issuer shall pay to the Bondholders interest on the principal amount for the time being outstanding on the Secured Bonds at the rate of interest specified in the Prospectus. The first payment of interest on the Secured Bonds shall fall due on the 2 April 2027.

- 4.2 The Issuer shall be discharged from any payment obligations under this clause and the Secured Bonds, upon payment made to Bondholders, gross of any amount to be deducted or withheld for or on account of any present or future taxes, duties, assessments, or other government charges of whatsoever nature imposed or levied by or on behalf of the Government of Malta or authority thereof or therein having power to tax.

The Security Trustee may, but shall not be required or bound to, carry out any independent audit or other verification of any books of account, balance sheet, profit and loss account, certificates or other information furnished to it by the Issuer nor shall the Security Trustee be bound to review, inspect or verify any information furnished to the Security Trustee in accordance with this clause 5.1(f);
 - (g) carry on and conduct its business in a proper and efficient manner;
 - (h) punctually perform all its obligations under the Secured Bonds, including the repayment of principal and interest, and inform the Security Trustee within five Business Days following each Interest Payment Date, that the interest due has been duly paid on the applicable Interest Payment Date; and within five Business Days following the Redemption Date, that the principal has been fully repaid. The Secured Bonds constitute the general, direct, unconditional and secured obligations of the Issuer and shall at all times rank *pari passu*, without any priority or preference amongst themselves; and

- (i) ensure that the Group shall not make any distribution of dividends such that would result in the Group's gearing ratio exceeding 80% and/or reduce the Group's cash balance to less than £800,000.

5.2 The Guarantor covenants to the Security Trustee, for the benefit of the Bondholders, that at all times during the continuance of any amounts outstanding under the Secured Bonds it shall:

5.3 The Security Providers covenant to the Security Trustee, for the benefit of the Bondholders, that at all times during the continuance of any amounts outstanding under the Secured Bonds they shall:

- (a) maintain their own corporate existence as companies duly organised and existing and in good standing under the laws of the Isle of Man and/or the laws of England and Wales (as applicable), save in the case of a merger, amalgamation, division or other form of restructuring;
- (b) deliver to the Security Trustee any legal orders or official notices materially adversely affecting the Collateral, but shall be entitled at its own expense to take a copy thereof;
- (c) do all such acts as the Issuer may consider necessary or desirable, or as may be reasonably required by the Security Trustee, to ensure that during the period when the Secured Bonds are outstanding and until their redemption in full, the Security shall rank with priority over all other claims of the Security Providers specific to the Collateral, save any preferred or prior ranking creditors in terms of applicable law, and in the event of a third party claim or any circumstances in which the Security Trustee's right, title and interest in and to the Collateral is or may be prejudiced, to defend the Security Trustee's right, title and interest in and to the Collateral;
- (d) maintain and keep in proper order repair and condition, and to cause to be maintained and kept in proper order repair and condition, such parts of the Collateral as are of a repairable nature and the Security Trustee shall have the power, but shall not be obliged so to do, in the event of any such part of the Collateral being or becoming out of proper order repair or condition such that it gives rise to a material reduction in the value of the Collateral (as considered by the Security Trustee (acting reasonably) and confirmed by the expert opinion of an independent valuer engaged by the Security Trustee), to effect any such reasonably required repairs within a reasonable time as may be specified by the Security Trustee. If the

Security Provider/s fail/s to take action to undertake the reasonable repairs requested by the Security Trustee in the notice within 90 Business Days (or such longer period as the Security Trustee may consider reasonable taking into account the nature and extent of the required works) from the notice, the Security Trustee may, but shall not be bound to do so, call a meeting of Bondholders for the purpose of determining what action, if any, should be taken in the circumstances; provided that, if requested to do so in writing by not less than 75% in value of the Bondholders, the Security Trustee shall, provided it is indemnified by the Bondholders to the satisfaction of the Security Trustee, have the power itself to engage such persons as may be reasonably necessary to repair or to put and maintain the same in proper order repair and condition and any expenses incurred by the Security Trustee and its costs and charges therein shall be a debt due from the Issuer payable on demand. To the extent that any such works require a permit and/or authorisation from the competent authorities the Issuer hereby obliges itself to assist the Security Trustee in procuring such permit and, authorisation;

- (e) insure and keep insured to the full replacement value thereof all such parts of the Collateral as are of an insurable nature, against all such risks which in accordance with sound commercial practice are normally insured against by companies carrying on a similar business with one or more insurance companies licensed to transact insurance business and will procure that the interest of the Security Trustee as security holder is duly noted on the policies of insurance and will produce the policies of such insurance to the Security Trustee if required and duly pay or cause to be paid the premia and other sums of money payable in respect of such insurance and if required produce to the Security Trustee the receipt for the same within 15 days of such request;
- (f) duly and punctually pay, perform and observe all rents, rates, taxes, stamp duties, covenants and other obligations whatsoever which ought properly to be paid or to be observed or performed in respect of any part of the Collateral;
- (g) permit the Security Trustee, or any person or persons authorised by it, at any time and from time to time during the usual times of business so long as any money shall remain due upon the Secured Bonds, as the case may be, to inspect and examine any part of the Collateral and to afford the Security Trustee and its agent/s access to the Collateral and render them such assistance as may be required for any of the purposes aforesaid; provided that the aforementioned inspection may only be made by the Security Trustee after having notified the Issuer, in writing, of its intention and provided further that the aforementioned inspection is made during reasonable business hours; and provided further that the Security Trustee shall not be obliged to carry out or authorize the inspection of the Collateral pursuant to this clause; and

Consent by the Security Trustee shall be given upon receipt of directions in writing passed at a meeting of Bondholders by a vote carrying at least sixty per cent (60%) in value of all the Bondholders.

- (e) to cancel, reduce, waive and/or discharge the Security, or any part thereof, to the extent that such cancellation, reduction, waiver or discharge is effected in terms of this Trust Deed and/or the Prospectus;
- (f) To carry out any actions for the enforcement of the Security as contemplated in this Trust Deed; and
- (g) To distribute all proceeds emanating from an enforcement of the Security as contemplated in this Trust Deed;

and generally, the Security Trustee shall not be liable for any error of judgment committed in good faith and the Security Trustee its officers, employees, including those of any related entity with which a resource-sharing agreement is entered into, servants and agents shall be entitled to be

EVENTS OF DEFAULT, ACCELERATION AND ENFORCEMENT

- 9.1. In the exercise of its powers and authority afforded to it in terms of this Trust Deed and/or in terms of applicable law, the Security Trustee may, in its absolute and uncontrolled discretion, and shall, upon the request in writing of not less than seventy-five percent 75% in value of the Bondholders, by notice in writing to the Issuer, declare the Secured Bonds to have become immediately due and payable, at their principal amount together with accrued interest, upon the occurrence of any of the following events ("**Events of Default**"):

- iii. the Issuer fails to duly perform or otherwise breaches any other material obligation contained in the Prospectus and such failure continues for a period of 60 days after written notice thereof has been given to the Issuer by the Security Trustee; or
- iv. the Issuer stops or suspends payments (whether of principal or interest) with respect to all or any class of its debts or announces an intention to do so or ceases or threatens to cease to carry on its business or a substantial part of its business; or
- v. in terms of article 214(5) of the Act, a Court order or other judicial process is levied or enforced upon or sued out against any part of the property of the Issuer and is not paid out, withdrawn or discharged within one month; or

- vii. any consent, permit, authorisation, licence or approval of, or registration with, or declaration to governmental, statutory or public bodies, or authorities or courts, required in connection with the operation of the Collateral, or required by any Obligor for the performance of its obligations hereunder, under the Prospectus or under any Trust Document to which it is party, is substantially modified in the reasonable opinion of the Security Trustee, or is not granted, or is revoked, or terminated, or expires and is not renewed, or otherwise ceases to be in full force and effect; or
- viii. the Security is not constituted and perfected in accordance with the ranking set out in the Prospectus; or
- ix. any Security is not enforceable against any Security Provider; or

- xii. any Obligor substantially changes the object or nature of its business as currently carried on; or
- xiii. any Obligor commits a material breach of any of the covenants or provisions contained in any Trust Document to which it is party and the said breach still subsists for 60 days after having been notified by the Security Trustee (other than any covenant for the payment of interests or principal monies owing in respect of the Secured Bonds); or

- xiv. any security constituted by any hypothec, pledge or charge upon the whole or any part of the undertaking or assets of any Obligor shall become enforceable and steps are taken to enforce the same and the taking of such steps shall be certified in writing by the Security Trustee to be in its opinion prejudicial to the Bondholders; or
- xv. any representation or warranty made or deemed to be made or repeated by or in respect of any Obligor in any Trust Document is or proves to have been incorrect in any material respect in the reasonable opinion of the Security Trustee; or
- xvi. any material indebtedness of any Obligor is not paid when properly due or becomes properly due and payable or any creditor of any Obligor becomes entitled to declare any such material indebtedness properly due and payable prior to the date when it would otherwise have become properly due or any guarantee or indemnity of any Obligor in respect of indebtedness is not honoured when properly due and called upon; provided that for the purposes of this provision, material indebtedness shall mean an amount exceeding €5,000,000; or
- xvii. any Obligor repudiates, or does or causes or permits to be done any act or thing evidencing an intention to repudiate the Secured Bonds and/or any Trust Document to which it is party; or

- xx. in the reasonable opinion of the Security Trustee a material part, of the undertakings, assets, rights, or revenues of or shares or other ownership interests in any Obligor are seized, nationalised, expropriated or compulsorily acquired by or under the authority of any government.

Upon any such declaration being made as aforesaid the said principal monies and interest accrued under the Secured Bonds shall be deemed to have become immediately payable at the time of the event which shall have happened as aforesaid.

Provided that in the event of any breach by any Obligor of any of the covenants, obligations or provisions herein contained due to any fortuitous event of a calamitous nature or otherwise beyond the control of the Obligor in question, then the Security Trustee may, but shall be under no obligation to, give the Issuer such period of time to procure that the breach be remedied as in its sole opinion may be justified in the circumstances and if in its sole opinion the breach is remediable within the short term and without any adverse impact on the Bondholders. Provided further that in the circumstances contemplated by this proviso, the Security Trustee shall at all times take cognizance of and, to the extent considered reasonably possible, act on and in accordance with any directions it may receive in a meeting of Bondholders satisfying the conditions set out in this Trust Deed.

- 9.2 The Bondholders acknowledge that the Security Trustee shall not be bound to take any steps or institute any proceedings or to take any other action to enforce the Security unless the Security Trustee shall have been indemnified to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing.
- 9.3 The Security Trustee shall not be bound to take any steps to ascertain whether any Event/s of Default or other condition, event or circumstance has occurred or may occur, and, until it shall have actual knowledge or express notice to the contrary, the Security Trustee shall be entitled to assume that no such Event/s of Default or condition, event or other circumstance has happened and that each Obligor is observing and performing all the obligations, conditions and provisions contained in the Prospectus and/or the Trust Deed.

SECURITY

- 10.1. In warranty of the proper observance by the Issuer of all the covenants and obligations undertaken by it in the Prospectus, in this Trust Deed and the Secured Bonds and in particular in warranty of their obligation to punctually repay the principal amount of the Secured Bonds and all interests thereon, and all other monies intended to be thereby secured, the Security Providers shall constitute the Security, as applicable, in favour of the Security Trustee for the benefit of the Bondholders in accordance with this Trust Deed.
- 10.2. By virtue of the various charges, the Security Providers undertake and covenant to secure, jointly and severally in favour of the Security Trustee, the due and punctual performance by the Issuer and the Security Providers of all their obligations under the Prospectus, this Trust Deed and the Secured Bonds.
- 10.3. All Security shall be registered in accordance with applicable law.

TRUST OF SECURED PROPERTY AND COLLATERAL

- 11.1. The Security Trustee shall permit the Security Providers, until the Security hereby constituted shall have become enforceable, and the Security Trustee shall have determined or become bound to enforce the same, to hold, use and enjoy the Collateral and the fruits thereof.

DEALING WITH SECURED PROPERTY

- 12.1 At any time or times before the Security shall have become enforceable and the Security Trustee shall have determined or become bound to enforce the same, the Security Trustee may, at the cost and request of Issuer and with due regard to the interests of all the Bondholders, do or concur with the Issuer in doing all or any of the things which the Security Providers might have done with or in respect of the Collateral had this security not been created and particularly, but not by way of limitation, may sell, let, exchange, surrender, develop, deal with or exercise any rights in respect of all or any part of the Collateral upon such terms or for such consideration or in any such manner as is herein mentioned and having due regard to the interests of the

Bondholders as it shall think fit, provided that the consent in writing of the Security Trustee and the Issuer shall at all times be required for the Issuer to do any of the foregoing.

- 12.2 The Security Trustee acknowledges and accepts that all of the Collateral or any part thereof is currently being operated or might in the future be operated by the Group, and shall continue to be so operated thereby.
- 12.3 The Security Trustee reserves the right to demand to the Issuer that additional or alternative immovable property owned by the Group be made available as security in addition to and/or in place of the Collateral, should at any given time the aggregate value of: (i) the Collateral, pursuant to a valuation report prepared by an independent valuer engaged by the Security Trustee; and (ii) the remaining portion of the Collateral, if any, be reported to be lower than the nominal value of outstanding Secured Bonds in issue plus one year's interest thereon.

In such case, the Issuer shall identify, at its discretion, which of the unencumbered property/ies forming part of the Group's property portfolio as at the date thereof, if any, would replace or be added to the existing Collateral for the purposes of securing the Secured Bonds, and shall take such steps as may be necessary for such unencumbered property/ies to replace or be added to the existing Collateral. Alternatively, upon such request being made by the Security Trustee, the Issuer may procure that the Group shall either provide a cash guarantee in favour of the Security Trustee and/or take such steps as may be necessary to grant security over any one or more immovable properties in its property portfolio, sufficient to cover the difference between the nominal value of outstanding Secured Bonds in issue (plus one year's interest thereon) and the aggregate of the revised value of the Collateral as set out in the abovementioned independent valuer's valuation report.

- 12.4 Without prejudice to clause 12.3, the Issuer retains the right to substitute any portion of the Collateral with an immovable property which forms part of the property portfolio that is owned by the Group, or a cash guarantee in favour of the Security Trustee subject: (i) to a valuation report prepared by an independent valuer engaged by the Security Trustee confirming that the value of the immovable property added as Collateral is at least equal to the value of the immovable property removed as Collateral, or otherwise sufficient to ensure that the value of the residual Collateral be equal to or in excess of the nominal value of outstanding Secured Bonds in issue plus one year's interest thereon; and (ii) to obtaining the Security Trustee's prior consent.

In addition, the Issuer retains the right to disencumber any of the properties (or part thereof) constituting Collateral and/or cancel any other charge or cash guarantee, if any, in the event that, following an increase in value of any one or more of the properties constituting Collateral, the value of the residual Collateral would remain equal to or in excess of the nominal value of outstanding Secured Bonds in issue plus one year's interest thereon, provided that no part of the Collateral may be disencumbered, nor any charge / cash guarantee, if any, may be cancelled, as aforesaid unless the Issuer obtains: (i) a report drawn up by an independent expert engaged by the Security Trustee confirming that the value of the residual Collateral is equal to or in excess of the nominal value of outstanding Secured Bonds in issue plus one year's interest thereon; and (ii) the Security Trustee's prior written consent. For this purpose, it is also acknowledged and accepted that in the event that only part of one or more of the properties constituting the Collateral is disencumbered as aforesaid, the Issuer retains the right to (i) dispose of the said unencumbered part of any one or more properties constituting the Collateral, including but not

limited to where such part consists of one unit forming part of a larger property consisting of multiple separate and distinct units; or (ii) utilise the excess value of the unencumbered part of any one or more properties constituting the Collateral as security for other indebtedness of the Issuer or any of the companies forming part of the Group, or otherwise affiliated with the Group, provided that any such security over the Collateral may not rank equally with, or ahead of, the Security already constituted in favour of the Security Trustee, for the benefit of the Bondholders, at any time until the cancellation and release thereof.

- 12.5 The Security Trustee shall, for all purposes of this Deed including establishment of a valuation of the Collateral in terms of this Clause 12, be entitled to rely solely on the valuation determined by an independent valuer without incurring any liability for so relying. The Issuer shall provide to the Security Trustee on an annual basis, a valuation report of the Collateral, drawn up by the Directors of the Issuer or of a company forming part of the Group, which shall be conclusive evidence of the value of the Collateral. Upon the occurrence of any Event of Default as set out (and defined) in clause 9 of this Trust Deed, or where it can be shown that an Event of Default as set out (and defined) in clause 9 of this Trust Deed is imminent, the Issuer shall, upon request by the Security Trustee, provide to the Security Trustee within 30 days from such request, a valuation report drawn up by an independent valuer of the Collateral, which shall be conclusive evidence of the value of the Collateral for the purposes of any action to be taken by the Security Trustee and valuation which shall supersede any annual Directors' valuation as aforesaid.

PAYMENT OBLIGATIONS OF THE SECURITY TRUSTEE

- 13.1 All payment and other obligations to the Bondholders under the Secured Bonds shall be the exclusive obligations of the Issuer and the Security Trustee shall not have, and nothing herein contained shall be construed as creating or otherwise acknowledging, any obligation on the part of the Security Trustee in favour of the Bondholders for any payments that may fall due under the Secured Bonds.

MEETINGS OF BONDHOLDERS SUMMONED BY THE SECURITY TRUSTEE

- 14.1 The Security Trustee at any time, and at the reasonable cost of the Issuer, prior to exercising any power or discretion in terms of the Trust Deed may:
- (a) call a meeting of Bondholders by giving not less than 21 days' notice, in writing setting out in the notice the time, place and date set for the meeting and the matters to be discussed thereat; or
 - (b) write to all Bondholders requesting their views;

Provided that the Security Trustee shall not be liable for any action it may deem necessary to take prior to acting in accordance with paragraphs (a) or (b) above. To the extent that any of the requirements for calling such a meeting or issuing such communication to Bondholders (specifically, hosting of the meeting, hiring of audio-visual equipment, or preparation of copies and dispatch of letters to Bondholders) may be provided by the Issuer through its own resources, the Security Trustee shall give preference to the Issuer over third-party service providers.

- 14.2 A meeting of Bondholders shall be so called by the Security Trustee giving not less than 21 days' notice in writing to all Bondholders listed on the Register of Bondholders as at a date being not more than 30 days preceding the date scheduled for the meeting. Such notice shall set out the time, place and date set for the meeting and the matters to be discussed or decided thereat, including, if applicable, sufficient information on any amendment of the Prospectus that is proposed to be voted upon at the meeting and seeking the approval of the Bondholders. If amendments to the Prospectus have been proposed, the main content of the proposal shall be contained in the notice.
- 14.3 Following a meeting of Bondholders held in accordance with the provisions contained hereunder, the Security Trustee shall, acting in accordance with the resolution(s) taken at the meeting, communicate to the Bondholders whether the necessary consent to the proposal made by the Security Trustee has been granted or withheld. Subject to having obtained the necessary approval by the Bondholders in accordance with the provisions of this section 14 at a meeting called for that purpose as aforesaid, any such decision shall subsequently be given effect to by the Security Trustee.
- 14.4 A meeting of Bondholders shall only validly and properly proceed to business if there is a quorum present at the commencement of the meeting. For this purpose, at least two Bondholders present, in person or by proxy, representing not less than 50% in nominal value of the Secured Bonds then outstanding in the case of a meeting of all Bondholders shall constitute a quorum. If a quorum is not present within 30 minutes from the time scheduled for the commencement of the meeting as indicated on the notice convening same, the meeting shall stand adjourned to a place, date and time as shall be communicated by the Directors to the Bondholders present at that meeting. The Issuer shall within two days from the date of the original meeting publish by way of a company announcement the date, time and place where the adjourned meeting is to be held. An adjourned meeting shall be held not earlier than seven days, and not later than fifteen days, following the original meeting. At an adjourned meeting: the number of Bondholders present, in person or by proxy, shall constitute a quorum; and only the matters specified in the notice calling the original meeting shall be placed on the agenda of, and shall be discussed at, the adjourned meeting.
- 14.5 The Bondholders' Meeting shall be held at the premises designated by the Security Trustee. The Bondholders' Meeting shall be chaired by the Security Trustee, unless otherwise decided by the Bondholders' Meeting.
- 14.6 Once a quorum is declared present by the chairman of the meeting, the meeting may then proceed to business and address the matters set out in the notice convening the meeting. In the event of decisions being required at the meeting the Security Trustee or its representative shall present to the Bondholders the reasons why it is deemed necessary or desirable and appropriate that a particular decision is taken. The meeting shall allow reasonable and adequate time to Bondholders to present their views to the Security Trustee and the other Bondholders present at the meeting. The meeting shall then put the matter as proposed by the Security Trustee to a vote of the Bondholders present at the time at which the vote is being taken, and any Bondholders taken into account for the purpose of constituting a quorum who are no longer present for the taking of the vote shall not be taken into account for the purpose of such vote.

- 14.7 The proposal placed before a meeting of Bondholders shall, unless a higher threshold is set in terms of this Trust Deed, only be considered approved if at least 75% in nominal value of the Bondholders present at the meeting at the time when the vote is being taken, in person or by proxy, shall have voted in favour of the proposal. Where the requisite majority of Bondholders has approved the resolution/s put forward for approval at the meeting, the decision of the meeting of Bondholders shall be binding on the Bondholders, regardless of whether the Bondholder/s bound by such decision abstained from voting, or voted against such resolution/s.
- 14.8 Save for the above, the rules generally applicable to meetings of Bondholders called by the Issuer in terms of the Prospectus shall apply *mutatis mutandis* to meetings of Bondholders summoned by the Security Trustee.
- 14.9 The Security Trustee shall not be bound to act on behalf of the Bondholders under this Trust Deed unless it receives duly authorised directions as stipulated in this Trust Deed and such action is determined, by the Security Trustee, to be for the benefit of the Bondholders.
- 14.10 Nothing in this Deed shall be construed as meaning that the Security Trustee is bound to act in the manner specified in this clause unless expressly and specifically so required by this Trust Deed.

OTHER BUSINESS RELATIONSHIPS BETWEEN THE SECURITY TRUSTEE AND THE ISSUER

- 15.1. Subject to any mandatory applicable law, neither the Security Trustee nor any of its shareholders, directors, officers, associates, affiliates, agents or delegates shall by reason of its or his/her fiduciary position, as the case may be, be in any way precluded from entering into or being interested in any contract or financial or other transaction or arrangement with the Issuer or a Security Provider or any person or body corporate associated with the Issuer or a Security Provider including without prejudice to the generality of this provision any contract, transaction or arrangement for the provision of services; or any other contract, transaction or arrangement as aforesaid or any person or body corporate associated with the Issuer or a Security Provider, accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by the Issuer or a Security Provider or any such person or body corporate so associated or any office of profit under the Issuer or any such person or body and shall be entitled to retain and shall not be in any way liable to account for any profit made or fees earned or remuneration or other benefit received thereby or in connection therewith.

RELEASE OF SECURITY

- 16.1 Upon the payment, or prepayment, of the principal amount of the Secured Bonds, payment of all interest thereunder and reimbursement of all expenses incurred by, and payment of remuneration due to, the Security Trustee under this Trust Deed, all obligations and all security interests created by the Secured Bonds, the Trust Documents and any other documents constituting the Security shall be released and forever discharged, whereupon the Security Trustee shall be discharged from all liabilities and obligations which it has under the Trust Documents and any other documents constituting the Security; in determining whether, for the purposes of this Trust Deed, the security period has come to an end, there shall be disregarded the liabilities of the Issuer in respect of the expenses of the Issuer in connection with any such release or re-assignment.

16.2 The Security Providers may sell all or substantially all the Collateral prior to the redemption of the Secured Bonds without the prior written consent of the Security Trustee where the consideration for the sale of the property exceeds any and all amounts outstanding in relation to the Secured Bonds and interest thereupon up to Redemption Date, in which case the Security Trustee shall take such steps as may be necessary for the release of any Encumbrance over any of the Collateral as may be required for the purpose of the sale thereof as aforesaid. The Security Providers covenant and irrevocably undertake that upon the sale of the Collateral or any part thereof, the Security Providers or either one of them, as applicable, shall place the Security Trustee in funds in an amount equal to all monies outstanding under the Secured Bonds plus interest yet to accrue until the Redemption Date, which monies shall be held by the Security Trustee on trust for the Bondholders, as beneficiaries, to be paid to the Bondholders, *pro rata* to each Bondholder's holding of Secured Bonds, to satisfy the redemption of the principal amount of the Secured Bonds plus interest yet to accrue until the Redemption Date in accordance with the provisions of this Trust Deed.

Provided that notwithstanding the preceding paragraph, the following will not require the Security Providers or one of them, as applicable, to place any funds with the Security Trustee, as long as the interests of Bondholders are not prejudiced thereby:

- (a) a transfer of assets between any Security Provider and the Issuer;
- (b) the lease or sublease of any immovable property forming part of the Collateral in the ordinary course of business;
- (c) the replacement of one or more immovable properties constituting the Collateral with one or more other immovable properties forming part of the property portfolio that is owned by the Group or any other company or legal entity that is an affiliate of the Group, provided that in such case the terms of section 12 of this Trust Deed are complied with; and/or
- (d) the disencumbrance of the Collateral as at the date hereof in accordance with section 12 of this Trust Deed.

For the purposes of this clause, the Security and remaining Collateral shall be deemed not to be prejudiced in the event that the value of the Collateral following any of the transactions mentioned in (a) to (d) above remains equal to, or in excess of, the nominal value of Secured Bonds outstanding plus one year's interest.

REMOVAL OR RETIREMENT OF SECURITY TRUSTEE

17.1 The Security Trustee may retire at any time on giving not less than three months prior written notice to the Issuer without assigning any reason. In such cases the Security Trustee shall not be responsible for any costs occasioned by such retirement, provided that the Security Trustee shall return (on a *pro rata* basis) any fees paid in advance in respect of the 12-month period during which the retirement is effected.

- 17.2 The Bondholders shall have the power exercisable by a resolution passed at a meeting of Bondholders passed by seventy-five per cent (75%) in value of the Secured Bonds to remove the Security Trustee.
- 17.3 The Issuer may at any time on giving not less than three months prior written notice terminate the appointment of the Security Trustee without assigning any reason. In such cases the Security Trustee shall be obliged to return any fees paid in advance in respect of the 12-month period during which the termination is effected on a *pro rata* basis.
- 17.4 The Issuer undertakes that in the event of the Security Trustee giving notice under this clause or being removed under this clause they will use all reasonable endeavours to procure a new trustee to be appointed. The retirement or removal of the Security Trustee shall not become effective until a successor trustee is appointed and shall be subject to the provisions of article 20 of the Trusts and Trustees Act (Cap. 331 of the laws of Malta).

TERMINATION

- 18.1 The Security Trustee shall only be discharged from all liabilities and obligations which it has under the Trust Documents upon the redemption of the principal amount of the Secured Bonds and payment of all interests thereunder, the release of the Collateral from the Security and cancellation of the relevant Trust Documents, and reimbursement of all expenses incurred by and payment of remuneration due to the Security Trustee under the Trust Documents or the Security Trustee's retirement or removal in accordance with the provisions of clause 17 above.

EXCLUSION OF IMPLIED DUTIES

- 19.1 The Security Trustee shall not have or incur any obligation, duty or responsibility, whether fiduciary or otherwise, to the Issuer or any Security Provider or to any of the Bondholders, as the case may be, except those expressly specified in the Trust Documents, the Secured Bonds and at law, as the case may be, to the effect that the Security Trustee has such a duty or responsibility.

LIMITATION OF LIABILITY

- 20.1 The Security Trustee (which for the purposes of this Clause shall include each director, officer, employee or delegate thereof) shall not be liable to any Obligor or any of the Bondholders, as the case may be, for any loss or expense attributable to any action taken or omitted to be taken by the Security Trustee, or any person appointed by the Security Trustee under or in connection with this Trust Deed or the Secured Bonds, as the case may be, unless the loss or expense is shown to have been caused by the gross negligence, wilful misconduct, or fraud of the Security Trustee or the person appointed by the Security Trustee; and no Obligor or Bondholders shall make any claims against the Security Trustee or against any person appointed by the Security Trustee in respect of such loss or expense unless he is shown to have acted with such gross negligence, wilful misconduct, or fraud.

INDEMNITY

- 21.1 The Security Trustee (which for the purposes of this Clause shall include each director, officer, employee or delegate thereof) shall be indemnified jointly and severally by each Obligor against

all liabilities incurred by it in the performance or execution of its functions under the Trust Documents, whether such liabilities have arisen as a result of any act, omission or judgment exercised by the Security Trustee, provided that the Security Trustee shall not be entitled to be indemnified for any breach of any Trust Document wilfully caused or caused by the gross negligence, wilful misconduct or fraud on the part of the Security Trustee.

- 21.2 The Issuer shall indemnify the Security Trustee against all taxes (whether existing today or in the future), duties (including Duty on Documents in terms of the Duty on Documents and Transfers Act, Chapter 364 of the Laws of Malta), imposts, fees, paid by it in respect of any action taken by, or on behalf of, the Security Trustee to hold the Security and/or to enforce any Obligor's obligations under the Trust Documents and/or the Prospectus and/or the Secured Bonds.

JURISDICTION

24.1 If any controversy, disagreement, or dispute should arise between the Issuer and the Security Trustee and/or any of the Security Providers and the Security Trustee in the performance, interpretation, or application of this Deed, the Issuer and/or the Security Provider/s and the Security Trustee shall use their best endeavours to reach an amicable solution. If no such amicable solution is reached, either Party may call upon the other to have the dispute reviewed and finally settled by arbitration.
